Manufactured Housing Industry Personnel

RE: Sevier County / Gatlinburg

To All,

In wake of the tragic events and overwhelming destruction that occurred during the wildfires in Sevier County, a 100% inspection policy will be implemented by this Section for all manufactured home installations. In addition we will offer our assistance to any licensee who possibly has a difficult site by providing site inspections. Please be aware this will be by request only, we as a Section will not be pre-inspecting all sites. In an effort by this Section to better serve the consumer as well as any licensee, this policy will take effect immediately and will be in place until further notice.

Sincerely,

Jim Hightower, Installation Manager
