SB1393/HB1190 PROPERTY & HOUSING: Misrepresentation of a service or support animal.

Sponsors: Sen. Bell, Mike , Rep. Terry, Bryan

Summary:

Creates the new Class B misdemeanor offense "misrepresentation of a service or support animal." A person commits misrepresentation of a service or support animal who knowingly: (1) Misrepresents, as a part of a request to maintain a service or support animal in residential rental property, that the person has a disability or disability-related need for the use of a service or support animal; or (2) Provides documentation to a landlord that falsely states an animal is a service or support animal. This bill authorizes a landlord who receives a request for an exception to a pet policy from a tenant or prospective tenant with a disability that is not readily apparent who requires the use of a service or support animal to ask that the individual submit reliable documentation of a disability and the disability-related need for a service or support animal. If the disability is readily apparent or known but the disability-related need for the service or support animal is not, this bill authorizes the landlord to ask the individual to submit reliable documentation of the disability-related need for a service or support animal. This bill authorizes a landlord who receives reliable documentation of a disability and/or the disability-related need for a service or support animal to authenticate the reliable documentation. If a tenant or prospective tenant fails to provide accurate, reliable documentation of a disability and/or the disability-related need for a service or support animal, after the landlord requests the reliable documentation, this bill authorizes the landlord to deny the request for an exception to the landlord's pet policy. This bill defines "service animal" to mean a dog or miniature horse that has been individually trained to work or perform tasks for an individual with a disability. This bill defines "support animal" to mean an animal selected to accompany an individual with a disability that has been prescribed or recommended by a healthcare provider to work, provide assistance, or perform tasks for the benefit of the individual with a disability, or provide emotional support that alleviates one or more identified symptoms or effects of the individual's disability. The full text of this bill defines "reliable documentation," which definition includes a list of persons and entities who are reliable sources of such documentation. Under this bill, it is material noncompliance and default by a tenant with the rental agreement, if the tenant: (1) Misrepresents that there is a disability or disability-related need for the use of a service or support animal; or (2) Provides documentation to a landlord in support of a request for an exception to a pet policy that falsely states an animal is a service or support animal. In the event of default under (1) or (2), this bill authorizes the landlord to terminate the tenancy and recover damages, including, but not limited to, reasonable attorney's fees. This bill specifies that a landlord is not liable for injuries by a person's service or support animal permitted on the premises as a reasonable accommodation to assist the person with a disability pursuant to any federal, state, or local law. Only to the extent of any conflict with federal or state law, the provisions of this bill concerning residential rental agreements do not apply to public housing units owned by a governmental entity.

*Amendment
Summary:*

House amendment 1 (005842) revises this bill, as follows: (1) Specifies that the offense is committed if a person "fraudulently represents," instead of "misrepresents," that the person has a disability or disability-related need for the use of a service or support animal; (2) Authorizes a landlord who receives reliable documentation of a disability and the disability related need for a service animal or support animal to "verify," instead of "authenticate," such reliable documentation and specifies that this bill does not authorize a landlord to obtain confidential or protected medical records or confidential or protected medical information concerning a tenant's or prospective tenant's disability; and (3) Extends this bill's applicability to rental agreements amended on or after July 1, 2019.
